Q1. (2018)

25	54	B1	May be on diagram
	7.5 6	B2	May be on diagram B1 for 1 correct or for answers transposed
	Additional Guidance		
	If answers are in wrong position on answer lines, check working and diagram for clear indication of possible transcription errors eg w = 9 ÷ 1.5 = 6 in working, 9 on answer line 9 ÷ 1.5 = 6 in working, 9 on answer line		 B1 B0
	Answer line takes precedence over diagram eg x = 54 on diagram and x = 81 on answer line		B0
